Dear Supervisors:

**RESOLUTION APPROVING ISSUANCE OF MULTIFAMILY HOUSING REVENUE
BONDS IN UNINCORPORATED LOS ANGELES COUNTY AND THE CITY OF
MONTEBELLO (1,2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt and instruct the Chair to sign a Resolution, as required under Section 147(f) of the Internal Revenue Code of 1986, approving the issuance of Multifamily Housing Bonds by the City of Los Angeles (City), to assist Leeward Partners, L.P. and Lexington L.P. (the Borrowers) in financing the site acquisition, construction and rehabilitation of a portion of the Lexington Apartments and the Leeward Apartments, two scattered site developments comprised of 508 total housing units located at 32 sites (the Project), as listed in Attachment A; including 11 units at Sheridan Manor Apartments, located at 1144-46 East 92nd Street, in unincorporated Los Angeles County; 28 units at Turner Towner Apartments, located at 14722 South Lemoli in unincorporated Los Angeles County; and 40 units at Greenwood Apartments, located at 1405 South Greenwood in the City of Montebello (the County Sites).
2. Approve and instruct the Executive Director of the Community Development Commission of the County of Los Angeles, or designee, to sign an Interlocal Cooperation Agreement between the City and the County of Los Angeles to allow the City to issue bonds for the purpose of financing the acquisition, construction and rehabilitation of multifamily rental housing located at the County Sites.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve the issuance of Multifamily Housing Revenue Bonds by the City, which will finance the acquisition, construction and rehabilitation of a total of 508 units of affordable multifamily housing at 32 sites, including 79 units at the County Sites. This approval authorizes the City to issue bonds for the County Sites but does not commit the County to approving the project financing or authorizing the rehabilitation.

FISCAL IMPACT/FINANCING:

There is no fiscal impact. The Borrowers will pay all fees and related costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Project consists of the acquisition, construction and rehabilitation of two scattered-site developments, comprised of a total of 29 sites located in the City of Los Angeles (City Sites), plus two sites located in the unincorporated County, and one site in the City of Montebello. Bonds will be issued by the City for the acquisition, construction and rehabilitation financing of all 32 sites.

Pursuant to the provisions of Chapter 7 of Part 5 of Division 31 of the Health and Safety Code of the State of California (Code), the City is permitted to issue bonds for the purpose of financing the acquisition, construction and rehabilitation of the multifamily rental housing located in the City, and the County may issue such bonds for multifamily rental housing located throughout the County. The Code authorizes a county and one or more cities within a county to enter into agreements for the purpose of financing multifamily rental housing development.

The attached Interlocal Cooperation Agreement evidences the agreement between the City and the County to authorize the City to issue bonds in the County. The attached Resolution authorizes the City to issue bonds for the County Sites. The City of Montebello will provide a letter of support for the site in its city.

At least 20 percent of the total 79 units at the County Sites will be reserved for households with incomes not exceeding 50 percent of the area median income (AMI) for the Los Angeles-Long Beach Metropolitan Statistical Area, adjusted for family size, as defined by the U.S. Department of Housing and Urban Development (HUD). The remaining units will be reserved for households with incomes not exceeding 60 percent of the AMI. These affordability requirements will remain in effect for a minimum of 55 years.

Bonds will be issued in a total aggregate amount not to exceed \$21,000,000, of which \$3.1 million will finance the County Sites. The Project's total 32 sites will be cross-collateralized in order to secure the bonds and to reduce the cost of issuance.

On September 28, 2004, the Los Angeles Housing Department conducted a public hearing at its office located at 1200 West 7th Street in the City of Los Angeles, regarding the issuance of multifamily bonds to finance the Project, pursuant to Section 147(f) of the Internal Revenue Code. No comments were received at the public hearing. The minutes of the public hearing were presented to the County.

The attached Resolution and Interlocal Cooperation Agreement were prepared by Kutak Rock, Bond Counsel to the City, have been reviewed by Orrick, Herrington & Sutcliffe, Bond Counsel to the County, and have been approved as to form by County Counsel.

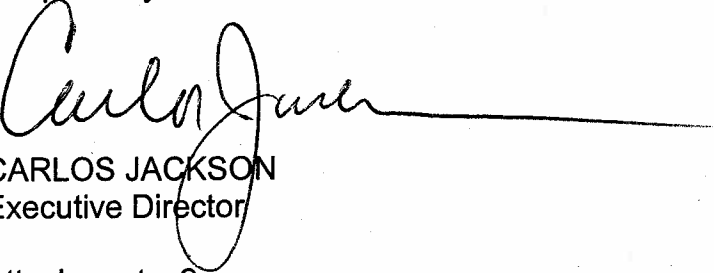

ENVIRONMENTAL DOCUMENTATION:

The approval of the issuance of bonds is not subject to the provisions of the California Environmental Quality Act (CEQA) in that such approval does not meet the definition of a project set forth in Section 15378 of the CEQA Guidelines. Moreover, the action is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

IMPACT ON CURRENT PROJECT:

The proposed actions will increase the supply of affordable rental housing in the County.

Respectfully submitted,

INTERLOCAL COOPERATION AGREEMENT

THIS INTERLOCAL COOPERATION AGREEMENT (this "Agreement") is entered into as of April 1, 2005 by and between the City of Los Angeles, a municipal corporation and charter city of the State of California ("City"), and the County of Los Angeles, a political subdivision of the State of California ("County"), pursuant to the provisions of Section 52086 of the Health and Safety Code of the State of California (the "Law") for the purpose of evidencing the agreement of City and County to cooperate with one another in the exercise of their powers pursuant to the provisions of Chapter 7 of Part 5 of Division 31 of the Health and Safety Code of the State of California, as amended (the "Act"), to permit City to issue revenue bonds for the purpose of financing the acquisition, construction and rehabilitation of multifamily rental housing located, in part, in the County.

WHEREAS, Leeward Partners, L.P. and Lexington Partners, L.P. (collectively, the "Borrowers") have requested that City issue its revenue bonds pursuant to the Act for the purpose of financing the acquisition, construction and rehabilitation of two scattered-site multifamily residential rental housing projects (collectively, the "Projects") located in part in City and in part in County; and

WHEREAS, portions of the Projects located at 1405 South Greenwood in Montebello, 14722 South Lemoli in unincorporated Los Angeles County and 1144-46 East 92nd Street in unincorporated Los Angeles County (collectively, the "County Sites") are located within the boundaries of County, but outside the boundaries of City; and

WHEREAS, the remainder of the Projects are located within the boundaries of City; and

WHEREAS, issuing separate series of revenue bonds pursuant to the Act to finance the Projects would increase costs to the Projects unnecessarily; and

WHEREAS, the majority of the Projects' sites are within City; and

WHEREAS, the California Debt Limit Allocation Committee has allocated City federal tax exempt volume cap for purposes of financing the Projects; and

WHEREAS, the Law authorizes a county and one or more cities within the county to enter into agreements to join or cooperate with one another in the exercise jointly, or otherwise, of any or all of their powers for the purpose of financing multifamily rental housing development pursuant to the Act; and

WHEREAS, City is located in County.

NOW, THEREFORE, City and County hereby agree, pursuant to the provisions of the Act, as follows:

Section 1. The recitals above are true and correct.

Section 2. City shall issue its revenue bonds pursuant to the Act in one or more series for the purpose of financing the Projects including, without limitation, the County Sites. County hereby consents to the issuance by the City of Los Angeles of such revenue bonds (the "Bonds") and to the use of a portion of the Bonds to finance the acquisition, construction and rehabilitation of the Project Sites.

Section 3. County agrees to cooperate with City to facilitate the issuance of the Bonds, and shall take such actions as are reasonably requested by City to permit the issuance of Bonds including, without limitation, taking such actions as are necessary to comply with the requirements of the Internal Revenue Code of 1986 (the "Code") with respect to the issuance of the Bonds. Without limiting the generality of the foregoing, County shall submit the proposed issuance of bonds by the City to finance the acquisition, construction and rehabilitation of the County Sites to the Board of Supervisors of the County for consideration for approval pursuant to the requirements of Section 147(f) of the Code. County understands and acknowledges that City noticed a public hearing with respect to the issuance of the Bonds and the financing of the Projects, including the County Sites, in a newspaper of general circulation in the County and that such hearing was conducted by the Los Angeles Housing Department. County hereby ratifies such action on the part of City and adopts such hearing for purposes of the Code.

Section 4. Any Bonds issued under and pursuant to the terms of this Agreement shall be obligations solely of City, and County shall not be obligated thereon or with respect thereto.

Section 5. County hereby agrees and acknowledges that the terms, conditions and provisions of any Bonds issued pursuant to this Agreement shall be determined in the sole and absolute discretion of City, and that no further review or approval thereof shall be required by County; provided, City shall, upon the issuance of the Bonds, cause the Borrowers to pay all expenses of the County in connection with the Bonds and the Projects and shall cause the Borrowers to indemnify, hold harmless and defend the County and each of its officers, supervisors, officials, employees, attorneys and agents in the same manner as the indemnification by the Borrowers of the City.

Section 6. Nothing herein shall obligate County to expend any funds or incur any expenses. Nothing herein shall be interpreted to obligate any payment of any kind by City to County or by County to City.

Section 7. Each of City and County represents and warrants that it has all necessary power and authority to enter into this Agreement, and that it has taken all such actions and received all such approvals as are necessary to authorize the execution and performance of this Agreement.

Section 8. This Agreement is entered into under and pursuant to the laws of the State of California and shall be effective immediately upon its execution and delivery by the parties hereto.

Section 9. This Agreement may be entered into in one or more counterparts, each of which shall be considered an original for all purposes.

Section 10. If any provision of this Agreement is, for any reason, unenforceable, such provision shall be void and of no further force and effect, and the remainder of this Agreement shall remain binding and enforceable against the parties hereto.

This Agreement is entered into by City and County as of the date first set forth above.
